The Frankfurt Airport VIP-Services Team

Ready for Your First-Class Business Events

The VIP-Terminal can host a variety of event formats for you – from a confidential business meeting to an extraordinary product launch, the presentation of a new luxury limousine, or a celebration with up to 100 guests. For an exceptionally memorable event, the airfield can also be included in the program.

The reception area: designed to receive your guests in style.

A Sophisticated Venue for VIP Guests

In the VIP-Terminal there are over 1,700 m² of different lounges and suites for your event. Some rooms can be connected, which creates more flexibility when planning the program.
